**PROXY GOVERNANCE SUPPORTS CHARLES RIVER'S PROPOSED ACQUISITION OF WUXI**

*Advisory Service Recommends Charles River Shareholders Approve Stock Issuance to Complete Acquisition*

**WILMINGTON, MA, July 15, 2010** — Charles River Laboratories International, Inc. (NYSE: CRL) today announced that PROXY Governance, Inc., a proxy voting advisory service, recommends that Charles River shareholders vote FOR the issuance of stock to effect Charles River's proposed acquisition of WuXi PharmaTech (NYSE:WX).

In its report, PROXY Governance stated: "We support the acquisition given the compelling strategic arguments behind the deal and vocal client support for the transaction. While the offer price appears high...we recognize that it is difficult to ascertain an appropriate value given that Charles River is seeking to acquire the strongest player in a unique competitive space and that there are no close precedents in terms of premiums offered... Also, we believe that over the long run, the proposed acquisition will likely provide greater shareholder value than the proposed share buyback advocated by opponents to the deal."

"We are pleased that PROXY Governance recognizes the compelling strategic and financial merits of this acquisition," stated Charles River Chairman, President and Chief Executive Officer James C. Foster. "We urge our investors to support the transaction by voting FOR the issuance of stock necessary to complete the transaction."

PROXY Governance also recommends that shareholders vote to approve adjournment or postponement of the meeting of shareholders in order to allow management to solicit additional proxies in favor of the proposal.

Charles River asks investors to vote in favor of the transaction by telephone, by Internet or by signing and returning the proxy card previously provided. Charles River shareholders with questions about the combination or how to vote their shares may contact the company's proxy solicitor, Innisfree M&A Incorporated, toll-free at 888-750-5834.
